If Trader Joe's is your "go-to" store whenever you need something special, then The I Love Trader Joe's Cookbook is for you. Not only are the more than 150 delicious recipes good for special events and entertaining, they're great for every day, too! --Sacramento Book Review

Recipes like the

whiskey-tinged Hot Toddy Chicken, Cherry Crostini with Pecorino Romano, and the Sausage Salad for a Hot Summer Night will have you planning dinner party menus in your head months in advance, and you won't have to wonder where to buy the ingredients --every single component can be purchased at Trader Joe's. --Examiner.com..it's a cheerful, accessible resource for parents trying to get a decent, affordable dinner on the table, as well as overworked single people and college students... her enthusiasm becomes infectious, and, like it or not, most of us are slaves to Trader Joe's. Most importantly, her recipes sound terrific --Hometown Pasadena

After attending culinary school late in life, Cherie Twohy found her bliss teaching others how to cook. Her cooking school, Chez Cherie, in La Canada, CA, has hosted thousands of students since its founding in 2000. Her husband and three children have served as enthusiastic recipe-testers, for which they have her eternal gratitude. Twohy holds a Certified Culinary Professional (CCP) designation from the International Association of Culinary Professionals. Among her most prized possessions is an authentic Trader Joe's shirt, awarded to her by a Captain at one of her local Trader Joe's.

Cherie Twohy has done it again with "The I Love Trader Joe's Around the World Cookbook," the latest in a series of dog-eared, go-to cookbooks in my kitchen. These international recipes are truly impressive to serve, yet surprisingly easy to prepare -- and all delivered with Twohy's signature humor and sass. I've already made my family swoon with the aromatic Moroccan Sweet Potato and Squash Stew (from the African Adventure chapter), the juicy Mediterranean Sliders (Greek Idyll), and the bright Sicilian Lemon Salad (Bella Italia). Even if you've had to put exotic travel on the back burner, this book will take you on a culinary adventure of its own!

This is a fantastic cookbook. I'm made a few of the recipes from here. Some really aren't spectacular, but one has become a top request in my household, the Sausage and Spuds salad. It's unlike anything else I make and it's so simple. I'm so happy I stumbled across this book. I love Trader Joe's and this just gives me tons of ideas

After spending Wednesday night reading Cherie's latest offering I'm back to the kitchen this weekend to meet up with a few "old friends" (recipes) and get acquainted with new. As before you can just "hear" her talking to you in the class while reading the prose. Every thing is well laid out and easy to prepare. Her humor comes through at every turn and she makes you look like a genius with

the results. One of my (old) favorites is the "Pasta Mollica" that I questioned in the very first class I ever took of hers. I thought she was crazy but it is crazy good! Just try it, you'll see. Probably one of the best and most helpful features of the series is the "ingredient index." So helpful with some of the ingredients that you think you won't use again in anything else. Cherie has a way of helping you to think beyond the "recipe box" and give your imagination wings.

Great recipes and interesting comments.

Purchased this book for a new bride and groom who are just learning how to cook. Has some great ideas that are easy and inexpensive. I may need to buy one for myself.

Great great recipes!

I've worked at Trader Joe's for a long long time. This cool book helps inspire me to cook something different which is hard after cooking dinner almost every night for near 20 years. Some of the ingredients have been discontinued but if you know the basics of cooking it is easy to find substitutes. Easy recipes and easy to follow instructions.

This has a lot of really tasty, easy recipes. I'm really happy with it.
