The Last Musketeer

Synopsis

Before they were legends, they were friends. All for one and one for all! On a family trip to Paris, Greg Rich's parents disappear. They're not just missing from the city— they're missing from the century. So Greg does what any other fourteen-year-old would do: He travels through time to rescue them. Greg soon finds out that his family history is tied to the legendary Three Musketeers. But when he meets them, they're his age, and they'll only live long enough to become true heroes if he can save them. To rescue his parents, Greg must assume the identity of a young Musketeer in training and unite Athos, Porthos, and Aramis—but a powerful enemy is doing everything possible to stop him.

Grade Level: 3 - 7

Customer Reviews

“From the gripping first sentence...the excitement never flags in this newly imagined Musketeer adventure. Using Alexandre Dumas' stories as a jumping-off point, Gibbs mixes fact, fantasy and thrills to create a galloping swashbuckler.” (Kirkus Reviews) “[An] action-packed tale.” (Publishers Weekly) “Gibbs' playful, action-packed twist on the classic novel includes plenty of humor as Greg attempts to fit into medieval life. An entertaining premise and high adventure.” (ALA Booklist)

Stuart Gibbs lives in Los Angeles, California, with his wife and two children, Dashiell and Violet. He is the author of *The Last Musketeer* and *The Last Musketeer: Traitor's Chase*, the first two books in this exciting series. Gibbs is also a screenwriter and the author of the young adult novel *Belly Up*.

Great book. Love finding a series that is geared towards boys, but does not have potty talk or disrespectful behavior. Reading it to my son every night. Love it!

Can't wait for my son to read it so we can discuss the book and revisit some 3 Musketeers movies to compare. Looks like Gibbs left it open for a sequel...we hope.

Great story line that is always weaving facts from real life things in the 1600s. I loved it. Keep writing more!!

My grandson enjoyed it very much.

My son liked the book a lot. He used this book for an Accelerated Reading Test at school. He did very well.

Very affordable...

(from 9yr old son) "This is one of my favorite books I've ever read. It's a very exciting story. I highly recommend it."

I love this author and I hope you do to this book it full of great adventure
