Lucille Colandro has written many books for children including the bestselling *There Was An Old Lady* series illustrated by Jared Lee. Jared Lee has illustrated more than 100 books for young readers. He has received awards from the Society of Illustrators, the Martha Kinney Cooper Ohioana Library Association, the National Cartoonists Society, and others. He lives in Ohio with his wife and a menagerie of dogs, cats, ponies, ducks, and a few unknown creatures.

I love the old lady books and we have several from the series so far, but this one is terrible-I could have written it better. It seems as though she wrote this book in an hour just to meet a deadline or something. The events don't make any sense, the rhyming is bad and the ending is stupid. Save your money or get one of the other old lady books.

We love the "There was an Old Lady" series and having it on my kindle makes it so easy to read

where ever we are. This one is so funny my 5 year old grand daughter was rolling around on the floor laughing. Grab them all and laugh along with us.

Charming Story ... as are ALL Lucille Colandro: " There was An Old Lady ..." book-series. Just love all these books, and am on my way toward collecting them all!!! This story-book is a "charming" Thanksgiving read...

Love this series! It's very popular in the primary grades set. Especially love the rhyme scheme in this one... so quirky.

This is one of my favorite of the series....most of the others are flat dumb.

I think she's running out of material, other than that, good product!

Short but good reading exercise for 1st and 2nd graders. Our girls enjoy this series

Funny book for my 4 year old grandson. He's really enjoying it.
