# Quantum Tools To Help You Heal Your Life Now: Healing The Past Using The Secrets Of The Law Of Attraction

## Synopsis

Much like gravity, the law of attraction is a natural law of the universe, and one that governs every interaction you ever have. You can only attract into your experience those things that resonate with you on an emotional and or vibrational level. It is no coincidence that women who marry alcoholics had alcoholic fathers, grandfathers or uncles. What a child experiences in childhood determines that being's emotional set point; their point of attraction. If your childhood was full of pain, it is not by chance that your adult life experiences are just as painful. This audiobook uses the principles of the law of attraction to help you move past your past. It is a must-listen for anyone struggling with addictions, troubling relationships, codependency, and or other negative personal issues. This book has the potential to heal the world on a global level, as it reveals the true hidden secrets of the law of attraction and how to harness its power to transform people from all walks of life for the better. Healing, abundance, peace and joy are your birthright. Unravel the mystery of your vibrational nature and manifest the truest desires of your heart by applying the knowledge contained in this powerful book. There is nothing you cannot overcome by applying the secrets contained in this book to your own circumstances. Learn how to take control over your emotional and vibrational nature so to help re-create your point of attraction, so you can have the life you have always dreamed of.

QUANTUM TOOLS To Help You Heal Your Life NOW Lisa Romano  
“Every time you are tempted to react in the same old way, ask if you want to be a victim of the past or a pioneer of

the future. **Deepak Chopra** After his fourth trip to a hospital detox center, Bill Wilson concluded that there must be a better way to live. He surrendered his life to a **“Higher Power”** and, along with Dr. Bob Smith, co-founded Alcoholics Anonymous. No records are kept, however, with over 100,000 chapters, AA has helped many millions of alcoholics recover their sobriety and become pioneers of their future. After years of struggling in an abusive marriage, a spiritually broken **Lisa** decided there must be a better way and became a pioneer of healing dysfunctional behavior. The word **“oikos”** is Greek for **“house”** and is the origin of the science of ecology. Basically, ecology involves the study of the interactions of living **“houses”** with each other and their environment. Using that model, Lisa Romano has done an astonishing job of remodeling her **“house.”** She has repaired her damaged foundation; replaced defective wiring; added internal and external alarm systems; added a new holistic computer system and installed a state-of-the-art communication network. She has emptied all of her closets of unwanted baggage and removed debilitating trash. The potpourri of Lisa’s **“house”** includes essences from the following books: *The Power Of Positive Thinking*: Norman Vincent Peale. *The Power Of Now*: Eckhart Tolle. *The Road Less Traveled*: Scott Peck. *As A Man Thinketh*: James Allen. *The Bible*: A sprinkling of gems. By doing her homework (Self-work) she was able to recover her lost, once-in-a-universe **“Self.”** During this process of thorough introspection she has gained wisdom and inspiration and a greater understanding of what it means to be **“made in the image of God.”** By doing research, gathering facts, collecting corroborating information and including personal anecdotes, she has created an amazing assemblage that will hopefully encourage and empower others to overcome problems of personality dysfunction, addiction, codependence, physical **•mental•spiritual** abuse. Currently there are millions of alcoholics in the US. There are countless millions entangled in co-dependent, dysfunctional relationships. The divorce rate is a dismal 50%. Lisa’s book offers specific tools and guidelines that, if employed, may offer people hope of escaping their hopeless situations and making it possible to celebrate rather than curse their lives. It is astounding to realize that an investment of \$11.95 may reduce or eliminate much human suffering. I hope that **“QUANTUM TOOLS”** finds its way into the broken homes and broken hearts of the millions of people suffering from a plethora of social and spiritual dysfunctions. Lisa is happily remarried and has written four books that all emerge straight from her

heart and reborn spirit. Lowell H. Young Author: Biodesign Out For A Walk[...][...]

This book opened my eyes to the fact, my life is mine to direct. I wasn't in control of it before, but now I know I am. People do things based on their own level of consciousness, not necessarily because of me. I highly recommend this book and will be reading it again. Thank you Lisa, so glad I found your YouTube channel as well!

This book is awesome!!!! If you want to understand more about how you are manifesting your reality and how you can heal past wounds from childhood, I would greatly recommend this book.. Read them all..don't short change yourself.

If you feel your life seems a little different or not quite what you thought it would be. If you feel the world is against you and nothing ever goes right for you. If you are constantly seeking the approval of others and feel your not getting it and the world is a horrible place, stop thinking and get this book. I have always felt that something wasn't right in my life and now I know the problem and where to begin the healing. Thank you Lisa Romano for opening my eyes to what I felt but didn't know. Thank for pointing me in the direction to gain control of my life and to find the happiness I deserve. I will return in a few weeks with an update of my progress.

This author and life coach, Lisa A Romano has an approach that deeply resonates with my own experience with codependency. I've sought help from a handful of others but none have offered the authentic connection that Lisa does. I think it's because she has been there herself. Lisa speaks to us from her heart, from her own experience and her own success. Lisa generously posts many free videos on youtube, she wants to offer her help, her insight and her expertise. Watch a few of her videos, if she is meant to be your teacher, what she has to say WILL resonate with you too. She has a great website, you'll find it. She offers very affordable one on one coaching. I have availed myself of what she generously offers and I am engaged in recovery, FINALLY !! If you come from a dysfunctional family, and who hasn't? This book will gently and lovingly begin to steer you in the right direction. It isn't easy, but it's worth it. Find out what is lurking in your subconscious, find out how childhood conditioning plays out in your adult relationships. Explore what really makes you tick and learn to be your best, genuine, authentic self. Learn to stop being so hard on yourself and offer yourself what you only think you need from others. Learn to drop the effort and become the light hearted being you were always meant to be. Lisa sets a great example, she has recovered and you

can too. "If you can see it, you can heal it" Lisa will help you see it.

<https://www.youtube.com/watch?v=a87o-V6xBFYI> also have one of her other books, Loving Self Affirmations. This is not your average self help nonsense. This is real.

Lisa is a talented teacher and coach that guides us through the process of learning about how to find the self in each of us. I recommend each one of her books as she walks through her journey she takes us with her to show us how to find the inner light that shines in each and every one of us. A very good read!

This not only provides knowledge and insight into why we are the way we are, but it also tells us what we can do to become the person we want to be . Lisa is amazing ! Peggy R

Everyone on earth needs to read this book! How our minds control our happiness.
