Great Bible story readings. The reader was able to draw the listeners into the story. I would recommend this CD to parents, Sunday school teachers or as a gift to a child or to those who are children at heart.

Frank Peretti is hilarious and uses his talents to help children better understand Bible stories. He makes it easy for them to apply to their lives, also.

These stories are entertaining, age appropriate and right on target with their clear messages of Christian character. My kids listen to the stories over and over.
