Will Shortz has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.

Finally, a puzzle book that is difficult, but fun and doable. I've struck out on the last couple NYT books I got, but this one has been just about right. Do wish they'd leave out so many writers and movie directors names that no one really knows, as well as so many obscure geographic places.

Typical New York crossword, really stupid, good thing there are the answers in back, because most of it makes no sense, and I've been doing crosswords for years.

It's great because I can actually see it! Some puzzle books the print is way too small. This one is perfect and will definitely keep your brain sharp.

These crosswords are always challenging and stimulating. Lots of double meanings so you realize the complexities of the English language. I do them with my wife because it often takes the two of us to do them. Course if you're a Jeopardy champion you would not be at all interested.

Exactly what I like. Not easy, medium crosswords but challenging!

My friend loved this as her bday gift.

The puzzles are fun and absorbing, no question of that. I do take issue, however, with the quality of the paper, which is like newspaper and easily compromised when erasing. If that's not done gingerly, the paper can rip. Others of the '200 Sunday' lot are all-around better constructed.

This is a good puzzle book, with just the right amount of challenge for me. I am enjoying doing these, but I do wish the print could be a bit larger. I don't require, or even want, "large print" puzzles, but I do find these a little bit uncomfortably small. The puzzles do have titles, although at least one reviewer indicated that his copy did not.
