An Introduction To The Policy Process: Theories, Concepts, And Models Of Public Policy Making

Synopsis

The fourth edition of this widely-used text relates theory to practice in the public policy process. In a clear, conversational style, author Tom Birkland conveys the best current thinking on the policy process with an emphasis on accessibility and synthesis. This new edition has been reorganized to better explain the role of policy analysis in the policy process. New to this edition: A new section on the role of policy analysis and policy analysts in the policy process. A revised and updated chapter surveying the social, economic, and demographic trends that are transforming the policy environment. Fully updated references to help the advanced reader locate the most important theoretical literature in policy process studies. New illustrations and an improved layout to clarify key ideas and stimulate classroom discussion. The book makes generous use of visual aids and examples that link policy theory to the concrete experience of practitioners. It includes chapter-at-a-glance outlines, definitions of key terms, provocative review questions, recommended reading, and online materials for professors and students.

Customer Reviews

"The fourth edition of *An Introduction to the Policy Process* remains the best primer for the scientific study of public policy. It provides an accessible and accurate overview of the essential concepts and theories of the policy process with concrete illustrations. The book is ideal for undergraduate and graduate students looking for a readable and comprehensive foundation in the field."

— Christopher Weible, University of Colorado Denver, USA
"The fourth edition of *An Introduction to the Policy Process* provides readers with a broad perspective on American public policy, including insightful discussions of policy theory and the political processes that shape public policies. The author systematically explains his points in a clear, interesting, and accessible writing style. Birkland has made enduring contributions to the study of public policy, and in this textbook he has provided an excellent resource for teachers and students in the field of policy studies."

— George Busenberg, Soka University of America, USA

Thomas Birkland is William T. Kretzer is a Distinguished Professor of Public Policy and Public Affairs in the School of Public and International Affairs, as well as Associate Dean for Research and Engagement of the College of Humanities and Social Science at North Carolina State University.
