Customer Reviews

The book was very informative. A great read especially if you know nothing of this part of history. A great help in a history class or a just to know book.

Cecil Roth is a wonderful history writer! He just has this way of writing, that's so enjoyable. I do have a complaint about his lack of references, which is true in every work of his I've seen. However, I find his style of writing to just have this wonderful, educated flow to it. This book is the second part to Roth's masterpiece (<http://www..com/Dona-Gracia-House-Nasi-Cecil/dp/0827604114>), and it's just as good as the first in my humble opinion. I recommend them both!
