# The Housekeeper (The Greek Island Series Book 6)

## Synopsis

A tale of love and heartbreak, taking us back in time to the idyllic Greek island of Orino, where the secrets and ill-fated love of one young woman are relived in a bid to save another from the same mistakes. As a young woman, Poppy travelled to Orino Island as housekeeper for a wealthy family. A romance burgeoned between Poppy and Pantelis, the owner's son, but a tragic turn of events led him to cruelly abandoning her. With no option but to stay on at the empty house as the housekeeper, Poppy was thrown into a predicament when Pantelis eventually returned with a pregnant new wife who, after giving birth, had no interest in the upbringing of her own children. Left in her care, could Poppy bring herself to raise Pantelis's children by another woman? And what became of the feelings Pantelis once had for Poppy? Now nearing the end of her life, and recovering from an accident that has left her bed-ridden, some news about Pantelis means Poppy must come to terms with the course her life has taken, and in turn she must try to stop her good friend Juliet from making the same mistakes. Unable to turn back the clocks, will there be time to save someone else's future?

## Customer Reviews

Back in the Greek village, one of my favorite old friends finds herself being taught by an older, more experienced woman about life, our reaction to the situations we find ourselves and how to accept and forgive. A delightful tale with our familiar friends from our favorite village. Thank you, Sara, for an entertaining and enlightening story!

Another great story in the Greek Village series by Sara Alexi. I always look forward to a new book by Sara and this latest doesn't disappoint. Once again we are transported to Greece and all things Greek while being entertained and captivated by the unfolding tale. If you haven't read Sara's books, you are seriously missing out on a fascinating and beloved series.

As any of us know that devour Sara Alexi's Greek Village Series, we just can't wait for the next one to come out. I loved this book!! The way Sara developed the relationship between Juliet and Poppy, the "mystery", and intrigue that builds at the beginning, leaves you trying to guess just what it is that Poppy needs from Juliet. Who would have guessed that Poppy had such a surprising life. And Juliet, well I think this was just what she needed! As usual, I couldn't put it down, as hard as I tried to make it last, till I had read it all. Thank you Sara for another wonderful trip to the village.

Visiting with old friends is such a comforting feeling and Sara Alexi provides the transportation for the visits. Each visit brings back old friends and intriguing new relationships. Revelations and exploration of life lessons not only for the characters but for the readers. Savoring each visits until the end, all the while hoping it will last a little longer. But then you know you will definitely visit again as the Village seems more like home every time you are there. Thank you Sara Alexi.

Here we go again back into the Greek Village. Sara's fans can't wait for her next book to come out and then we read it in one day and push to hurry to the next one. I loved this one especially because many old friends were in it. Love to hear about the shops, the scenery and the people. Makes you want to visit Greece. The stories are about the people and always lessons to learn and tears to flow now and then. I keep them all in my heart and memories as if I know them personally. I guess I do.

Sara amazes me! Her characters are so real to me that I feel if we visited the village we would know many of those in and around the main square. This and The Piano Raft are now at the top my list of favorites. Thank you, Sara, for your incredible insight into what motivates people to react and

respond as they do.

As always, I am absolutely enchanted with the story. I can lose myself and feel like I am right in the middle, visiting with my friends. I love the way Sara Alexi weaves the characters and makes them come to life. I feel like if I landed in the middle of the village or on the island, I could find my way about. You won't be disappointed reading any of the Greek Village series.

So the book came today and I've already finished it. I waited so long and it's done. Such a joy to be back in Juliet's home. Once again Sara Alexi has woven a story about the Greek villagers and shared an important message. This time it's about believing in yourself and not being afraid to live life. I loved this book along with the rest!
