The Fall Of Candy Corn (Sweet Seasons, Book 2)

Synopsis

They're fun! They're quirky! They're Sweet Seasons—unlike any other girls' books you've ever read. You could call them alternative, God-honoring chick lit. Join Candace Thompson on a sweet, lighthearted, and honest romp through the friendships, romances, family, school, faith, and values that make a girl's life as full as it can be. Will Candace survive the shift from cotton candy to candy corn? Fall is in the air, and without completely knowing why, Candace Thompson has signed up to continue what was supposed to be a short-term summer job at the local theme park. Working with Kurt doesn't hurt, but a surprising kink involving her youth group, as well as the shock of an unexpected setback, threaten to be more painful. Candace's autumn holds as many surprises as her summer as her rousing romp through the seasons continues.

Customer Reviews

Grade 6—9 • This second book in a series about a teen who lacks self-confidence but matures through jobs at The Holiday Zone amusement park has a premise that's hard to buy and a weak mystery. Candy tries out for the park's Halloween "Scare." Improbably, she ends up playing herself in a re-enactment of an urban legend in which a psycho killer chases her around the park. She does well until she's hurt when someone booby traps her performance space. Other employee areas are targeted, prompting rumors of a ghost. After her mysterious run-in, Candy is reassigned to the candy-corn cart and organizes the park's "Sugar Shock," where children collect

candy on Halloween. She makes the event a success and helps catch the saboteurs. These experiences allow her to stand up to a less-than-supportive guidance counselor. The real star of this novel is the Holiday Zone with its many imaginative areas. A scene with marauding pirates is its most memorable. All in all, this title is not the best choice for most collections. —Tina Zubak, Carnegie Library of Pittsburgh, PA Copyright © Reed Business Information, a division of Reed Elsevier Inc. They're fun! They're quirky! They're Sweet Seasons---unlike any other girls' books you've ever read. You could call them alternative, God-honoring chick lit. Join Candace Thompson on a sweet, lighthearted, and honest romp through the friendships, romances, family, school, faith, and values that make a girl's life as full as it can be. Will Candace survive the shift from cotton candy to candy corn? Fall is in the air, and without completely knowing why, Candace Thompson has signed up to continue what was supposed to be a short-term summer job at the local theme park. Working with Kurt doesn't hurt, but a surprising kink involving her youth group, as well as the shock of an unexpected setback, threaten to be more painful. Candace's autumn holds as many surprises as her summer as her rousing romp through the seasons continues.

Debbie Viguié continues to use her quirky imagination to create "roller-coaster" adventures for Candace, who rollocks her way through the fall season of a well-known amusement park, yet manages to learn important spiritual lessons along the way. Definitely for adults as well as young adults!

This was a great and funny book. I recommend it to kids also.

As described

So good!

Bought for 14 year old daughter. She says the book is funny and sweet. She liked it a lot.

Loved this second book in the Sweet Seasons Series. I can't wait to read book three.

The thrills are awesome, her situations are extraordinary, and her personality is the most real one

you'll ever find! Go Candace!

great series
