Not what I expected

This book was a really interesting read! I didn't know very much about Tarot cards before I read it - only what I'd seen in the movies! "Tarot Card Meanings" addresses all the cards in the deck and gives all the various meanings for them, which I found fascinating. I feel that I'm ready to do my first reading now! Excellent!

I really am a beginner at this, and found this book easy to understand, and very interesting. It was free so great value as well
