## Customer Reviews

I buy the updated version of this reference book every few years. Very useful for choosing a restaurant for business lunch or dinner. Yet the internet reference sites such as Opentable are about to take over the same role for better and more convenient services. Can ZAGAT survive?

I was thrilled with my New York City Zagat Guide so recently purchased the DC guide. Although it is called Zagat 2010 there were reviews that said things like "expected to open in 2009." Even more annoying -- I went to a bookstore in DC this week and saw the Zagat 2011 on sale. No excuse for that!
