Customer Reviews

This was not worth the ninety nine cents I paid for it.

Almost all fluff... Go buy an ice cream sundae... you will enjoy it more!

Well what a surprise only part of the book is available and the part you get to read is vague. So I have an idea make money by not buying the book.

I don't think this book is qualified to be a book. It's like somebody comes up to you and says, you want to hear a joke, knock knock, and before you say who's there, he walks away leaving you hanging. And what makes it worse, this author has more books.

Very great reading I recommend this book to all my family and friends. And church members . Get ahead financial and read the book.

I wasted .99. There is no reason to bother with this book. His book on healing was better than this.

I did not find this book helpful at all. I actually feel as though you swindled me out of 99 cents...lol I guess that is what the book was about though, how to make money off of people..I wouldn't be able to sleep at night knowing that I sold someone a book about nothing...Giving it one star only because I have to...

The book blessed me to have an open mind to create wealth. Very inspiring. No limits. If others can do it why can't I.
