Bavarian Landlust

Synopsis

Only Stefan Soell can photograph these highly attractive, all-natural Bavarian country girls so revealingly. What a series of photos this is! After picking apples we see them busily baking their pies, topless! These buxom country girls stretch out lasciviously in the hay, or show off their curves in front of a perfect backdrop of lush meadows and curvaceous hills. You can see the girls are animal lovers and outdoor types, so wouldn't it be nice to surprise them with a visit?

Customer Reviews

Stefan Soell's previous books include *Carisha*, *Modern Urban Girls*, and *Waldlust*.

Beautiful women in beautiful scenery, what else can one say?

Stunning photography and gorgeous young ladies

Front cover conveys a more fun, cheeky tone than the pictures in the book provide.

Another beautifully planned and executed masterpiece from Mr. Soell. Beautiful natural women. Beautiful natural scenery. Beautiful holiday gift. Also nice that Soell's work typically sells out and the price increases by a considerable magnitude. Nice additional benefit of collecting his work.
