Arkansas Portfolio: Twenty Years Of Wilderness Photography

Synopsis

This coffee table picture book contains 107 color images from all over The Natural State. In it you will find images of thundering waterfalls, towering limestone bluffs, spectacular fall vistas, quiet sunsets, detail of the macro world, and many intimate scenes from Arkansas. Printed on heavy, luxurious paper, this large format book makes the perfect gift for anyone who enjoys the outdoors, cherishes Arkansas or wants to escape to a wilderness state of mind. Each book is individually gift boxed.

Customer Reviews

Tim Ernst is one of the leading wilderness photographers in America. Since he began his career in 1975, he has been published by most of the major outdoor publications, including National Geographic, Outside, Country, Natural History, Outdoor Photographer, Audubon, Backpacker, and National Geographic Traveler magazines, Readers Digest Books, The New York Times, and many other national, regional and local publications.

Great pictures. Tim Ernst is widely recognized as the most prominent, current photographer in Arkansas, and this book is a good example of his work.

I purchased this book to add to my Tim Ernst collection. Tim has one of the greatest photo eyes ever. His collection from the Ozarks and beyond is very commendable. Looking forward to his future insights into nature.

Unlike the famous areas of the West, Arkansas has very few great vistas from which to photograph. The views here are smaller, more subtle. Tim Ernst has captured many great images of Arkansas, from the well-known parks and views to the wilderness areas that few have seen. This is a must book for anyone who loves photography.
