Inspiring your next adventure

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Lots of great pictures and descriptions. Makes me want to travel back there.

After combing the major bookstores in the Metro Detroit area, there are no travel guides to be found on Taiwan, until I found this one, and it is fantastic! Why not, it is from the Discovery Channel people! I did find only one other guide on Taiwan, but nowhere near the quality of this one. I had bought a guide on St. Petersburg, Russia from the DK company, and I loved it. But most of the well known companies like DK, Fodor, Knoff, I don't believe publish one on Taiwan. I am glad that the Insight people did, I am thoroughly impressed. I will check them out from now on, when looking for travel guides for other countries! YA!
