Colorado Springs & Pikes Peak Trail Map 4th Edition

Synopsis

Trail, road and terrain map for the Colorado Springs and Pikes Peak region, with extensive text covering trails, geology, hydrology, history and visitor info. Shaded relief, hypsometric colors, and 100ft contours combine to show the area's impressive topography. All trails rated easy, moderate or difficult. Trailheads. 65 text descriptions highlight the essence of the trails. This is the most accurate and detailed trail map of the area. And it nice to look at, and very legible. Areas covered include the Pike National Forest, Mueller State Park, Garden of the Gods, Cheyenne Canyon, Florissant Fossil Beds, North Slope Area, Pikes Peak, downtown, Barr Trail, South Slope, Cripple Creek, Victor, Divide, Gold Camp Road, Air Force Academy, Signal Butte, southern Rampart Range, Woodland Park, Green Mountain Falls, Monument, Fox Run, the new Cheyenne Mountain State Park and oh so much more! The map is 1:75,000 scale, sheet size is 24 by 32, folds to 4 by 8. Waterproof and Tear Tough.

Customer Reviews

All new 4th edition map reveals the impressive topography of Pikes Peak Country in exquisite beauty never before seen. Waterproof and tear-tough for years of use. Custom shaded relief, hypsometric color tints, and contours enliven the terrain and create a strong 3D impression. Full, detailed coverage of trails, including extensive trail ratings, descriptions, elevation gains, and lengths. Information on hiking, mountain biking, camping, fishing, 4wd, climate, geology, hydrology and more. The map covers Rampart Range, Garden of the Gods, Mueller State Park, much of Pike National Forest, Cripple Creek, The Craggs, Pikes Peak, Colorado Springs, Manitou Springs, the

new Cheyenne Mountain State Park, Signal Butte, US Air Force Academy, Cheyenne Canyon, Fox Run Park, Florissant Fossil Beds National Monument, North Slope, and much, much more. In short this is the most detailed trail map for the area. And the best value! You will always enjoy it and find it useful. --Sky Terrain

Kent Schulte lives in Eldorado Springs, Colorado; 8 miles south of Boulder, Colorado. He designs maps using both artistic inspiration and hi-tech tools. He also sculpts. Currently Kent is using space age imagery from satellites to create 3D models and fly overs of Colorado's many beautiful places.

Great trails!

Good map do large area but I need Ed to get supplemental info for trail to Barr camp.

Very detailed! Excellent map

Exactly as described and expected!

If you like to hike there are many hiking books available. This is not a book with details about the trails but a handy map to take with you hiking so you will really know where you are.

This is a pretty good map of the trails in the Colorado Springs area. I wish the trails had been a little better defined on the map - maybe a little larger scale with smaller section of the area.

This map extends westward through Mueller State Park. It neglects the entire, and burgeoning, eastern half of the city, cutting off abruptly slightly east of Academy. It also neglects to include all of the Black Forest area, stopping as far east as Fox Run Park. It's a nicely detailed map for the rest of the region but I found myself flipping the page in consternation wondering - "where's the rest of it?"

If you're looking for a map with trails and hiking info, don't waste your money on this one. It has but a very broad, widespread layout, with very limited information about Pike's Peak. Very disappointing.
