Michael Bernard Beckwith is the founder and spiritual director of Agape International Spiritual Center, a trans-denominational community in Los Angeles. He is the founder of the University of Transformational Studies and Leadership, and an international speaker and meditation teacher. Beckwith is a featured teacher in the film *The Secret*, and has also appeared on *The Oprah Winfrey Show* and *Larry King Live*. His books include *Inspirations of the Heart* (Agape, 2004) and *A Manifesto of Peace* (Agape, 2002).

I am a member of Agape, and I loaned this series to a friend years ago but never got it back. This time I'm keeping it. It has helped me through personal struggles and helped me to vision a new career and total lifestyle change. It's a keeper.

Got this before a road trip and it was Perfect. Reverend Michael's teaching are amazing. Treat yourself and invest in yourself. I ended up working with him after this for almost a year.

Even though it has been several years since I started using this system, many of the sections have become a part of my daily life. Some of the information from Life Visioning that I have incorporated into my life has been a resourceful guide and allow me to be more at ease as some of the challenging circumstances of my life unfold.

Pretty amazing stuff. Challenging to describe with words. Just get it!

Love the message but the disk has a small flaw that skips a small about of a track. Still goo value for dollar.

This CD gives you what you need to be a good human being. We all get distracted and caught up but this helps you to see through the muck to a better way of being. Love it. Thanks Michael.

Finally, a teacher who takes you step by step in how to meditate, breath, and focus on what is true relevance and vital!

This "process" CD is actually an abbreviated form of the six-CD package under the same name. I recommend the full-length version, which I enjoy very much, but I have discovered that this abbreviated version makes a nice, inexpensive gift for friends with whom I want to share Michael Bernard Beckwith's ideas.
