REVIEWS "What a great material for yoga beginner! I wish I would have had it when I was starting to make my first steps in yoga. I recommend it to my yoga students. And at least once in 6 months I read it myself again and again." Lyubov Arjuna, Certified OpenYoga Teacher "I am total beginner to yoga. I have wanted to start practising hatha yoga for some time but I have no time to attend yoga studios. I like that text is very short and I can start my yoga practice right away at home. Photos are very helpful." Janine Whilmoore, Canada "I received this book as a gift from my yoga teacher. Some aspects I had heard during her yoga classes and some were completely new. I recommend." Jerry Barton, UK, yoga practitioner
