On My Own (Diary Of A Teenage Girl: Caitlin, Book 4)

Synopsis

University life isn't what Caitlin expected. Her roommate Liz is hostile to her faith -- tormenting her with raunchy music and sleazy boyfriends. Worst of all, suddenly Caitlin doesn't understand herself anymore. Why has she regressed to being the shy, insecure girl she was in junior high? She doesn't even fit in with her new Christian fellowship group! Caitlin tries not to envy Josh and her friends at Christian colleges, but suddenly all she has are questions and few answers. In the story of Caitlin O'Conner's soul, this frustrating year is the most significant one yet, as the homesick freshman eventually remembers there is one companion she can always trust.

Customer Reviews

Grade 7 Up-In this addition to the series, Caitlin, a devout Christian, begins college and meets her bold and brazen roommate, Liz. This mismatch provides the backdrop for Caitlin to seek God's help and guidance. Her fundamentalist attitudes prevent her from dating, kissing, or even allowing any kind of openness to new friends and situations. Expressions are odd and dated: "the fur did fly" when two girls fight over a boy; arguments lead to "cussing"

Melody Carlson is the bestselling author of more than seventy books for teens, women, and children with total sales over 1 million. She has two grown sons and enjoys an active lifestyle of hiking,

skiing, and biking. She lives in the beautiful Oregon Cascade Mountains with her husband and Labrador retriever.

My daughter love these books.Highly recommend this book seriesfor teenager girls.

Loved it

My 14 and 15 year old granddaughters loved these books and immediately wanted the next in the series.

This was a great book! So uplifting and really does talk about the struggles us young people face. This has ultimately helped my outlook on life and my relationship with God! :)

My daughter requested this as a Christmas gift. This is a good series for a teen girl. It was a good buy.

Great teenage stories that draw students to want to read the book. I can't keep the series of books in my classroom. As soon as it's checked in it's checked out by someone else.

After pretty much a boring mundane year full of a few surprises. Caitlin O'Connor is off to college. And she is beginning a new chapter of her life. She is not that happy about having to go to a state college instead of Christian college all her friends are at. She is even more not happy about her roommate Liz who is a non-Christian. Plus she hardly has any friends. So Caitlin feels like she is drowning.Caitlin's diary is interesting. And insightful. The new characters that Melody Carlson puts in her book add a fresh new twist. Caitlin is still sticking to her non-dating for now. But that commitment gets even more trickier especially when Josh's feelings for her start to grow and grow. This book just like all the others will keep you reading and reading. And will inspire you along the way. I loved this book. I hope you will too. I love all the Diary of a Teenage girl books. I like how their centered around the Lord Jesus Christ and I like how their not cookie cutter but they expose the truth. I can't wait to read Book 5. Oh wait, I already have. And it was breathtaking.

Caitlin O'Conner is off to college to see what's out there for her. Her roommate, Elizabeth Banks or Liz, is Caitlin's first problem. Liz does not like Caitlin at all and tells Caitlin that right away. Before

Caitlin leaves for Christmas she gets Liz a Christmas gift that makes Liz tell about the way she is. After Liz spilling about why she is Caitlin goes home to find another surprise. Josh Miller, Caitlin's ex-boyfriend from high school, gives her a Christmas present. Caitlin is so surprised by this gift she doesn't know what to do. The gift throws Caitlin for a whirlwind of emotions and she has to conquer all of them. Caitlin does get through these emotions but what happens to her and Josh is surprising. At the end of the book Caitlin's life seems to be looking up again. Everything seems as if it's all going to be all right. I really enjoyed this book. I think that it is my favorite out of the other books in the series. On My Own keeps you guessing on what's going to happen next. It keeps you wondering if Caitlin will ever make it through this tough time. I had no dislikes about this book at all. I could hardly put the book down. I would recommend this book to anyone who has already started the series. If you thought that book three wasn't the greatest or you thought that it was awesome and none of the other books could get better think again. Any teenage girl would enjoy this book. What Melody Carlson talks about in these books are true things that happen to every day girls like me. An average girl can pick up this series of books and relate to at least one thing if not more. I defiantly recommend this book, On My Own, to any girl from the age of twelve to eighteen. Everyone I think will have no regrets of reading this book!
