## Customer Reviews

Bought this for a 9 year old and it's very nicely illustrated and prayers are child friendly. Book is constructed of cardboard pages thus it seemed a bit too baby-like for my niece.

Grandson lost his first book. He misses it so this is a replacement! Very Nice book.

My niece loves this book. She is one and loves the baby proof books and this is perfect.

Great little book for our son to read at bedtime. Nice curling up with him and reading these each night. Super pleased with this purchase.

So cute, great baptism gift, nice prayers.

This little book of prayers is Adorable, angelic, and very precious to read....and even to look at! I will print some of the pictures on future custom cakes!
