Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds,

Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. What a life saver! We practically followed his itinerary to the "T". Instead of going from Dublin to Kilkenny - in other words - driving south - we started our trip with driving West and stayed our 1st night in Galloway. Took his suggestions all the way. Worth every penny and I would highly recommend you buy this book if you plan to road trip through Ireland. My husband and I went to Ireland 6 years ago and we did not have a guide book and what a difference it makes. I wish I had this on our first trip.

Every thing I need

We bought this and the Best of England for our summer trip!

Great current information

Rick's books are great. Always gets me to areas I like to go with some good advice along the way.

Rick Steves is the only way to go!

Great guide book

Seems to be more objective than most travel guides, very comprehensive and presents a wide range of options prices etc
