Vienna: 72 Hours In Vienna -A Smart Swift Guide To Delicious Food, Great Rooms & What To Do In Vienna, Austria. (Trip Planner Guides) (Volume 5)

Synopsis

3 Days in Vienna, Austria. The last thing you want to do while on vacation is waste time trying to find out which spots to visit or which restaurants are worthwhile. In the city of Vienna, adventure awaits, and this quick and easy guide will show you how to get the most out of your stay. Our guide is tailored to quickly give you the information you need so that you can enjoy the best of Vienna. Whether it's cruising along the Danube's Wachau Valley, walking in the footsteps of music's finest maestros or viewing some of the world's best architectural masterpieces--it's up to you! Most people planning vacations look for three key factors: an Overview of the city, the Sights, and Transportation in and around the city. We combine these factors in an easy reference guide that will prove a trusty travel companion. As a bonus, we've added a three-day itinerary and a list of all the best budget-friendly places you'll want to visit while in Vienna. From the hearty cuisine, to the history and culture, Austria's crowning glory will truly entertain, gifting you a once in a lifetime experience. What memories will you make in 72 hours?

One of the methods that many travelers use to prepare for their journey is to read about the area. As my wife and I prepare to plan for summer vacation destinations, we came across this handy book. We are now a bit more informed about how we can go about planning an amazing visit to Vienna if we decide to go this year. We used this book to gain more background information about Vienna and it was very helpful.

No maps included. A serious drawback.

This was a travel book we bought before our short trip to Vienna. It has not a single map or picture inside, just text... And poorly formatted text. Yes, the author provides several online resources for maps and getting around, but that's not helpful when you need it. There is no index.

A really good introduction, a great supplement travel guide. It helps you plan the very basic parts of your trip.

Very general, as anyone would expect. It has nothing personal, nothing exciting. It will provide you basic general information: formally correct, but without character. If anything in it, it's the tips.

This book is very easy to read gives you all the main points. It gives you excellent websites to research all you need to do. Highly recommend getting this book for a quick visit to Vienna
