Customer Reviews

I specifically searched for, and thought I had ordered, a week-starts-on-Monday, or Monday-thru-Sunday layout calendar. The item received appears to be the same architectural images each month, but the weeks are laid out Sunday-thru-Saturday, as a big yellow sticker on the outer wrapper happily proclaims. I really don't like using traditional Sunday-first calendars anymore (Google, et.al., have spoiled me!); with the weekends split from one edge of the page to the other. I wonder if it is too late to return this item?

Fantastic. Highly recommended.

Really cool architectural photography from all around the world. If you're an architecture buff, this is the calendar for you.
