A Place To Call Home: Contemporary Christian Romance (Front Porch Promises Book 1)

Synopsis

STARTING OVER After serving six years in prison for the false charge of manslaughter in the death of his wife, Kurt Jansen must overcome a world of bitterness if he wants to start a new life. But his first priority is securing a restoration job to pay a private investigator to find the real killer and a lawyer to get his kids back. Hiring a convicted wife-killer isn't what kind-hearted Molly Finnerty bargains for as part of the prison ministry she supports. However, she begins to believe Kurt's claim of innocence and gradually finds a great deal to like about him—perhaps more to like than she should. Can they overcome the past and find forgiveness and love? **BOOKS IN THE FRONT PORCH PROMISES SERIES** 1. A Place to Call Home 2. A Love to Call Mine 3. A Family to Call Ours Each book stands alone, but the stories are connected through setting or characters. The final two books in the series will release in 2017 and 2018.

Romance

Customer Reviews

Merrillee Whren has written a great romance/mystery with some good twists & turns of events. Couple that with true-to-life characters & lessons of God's continuing forgiveness & mercies make this a worthwhile read. Highly recommended!

This book was well written. I was sad then got so interested in it. I sat here and read the whole book. The author told a great story. I will read more of her books. I recommend it highly.

Real obstacles as the characters come to terms with the past. Insecurities and children, regrets and hopes all meshed into one story and covered with love. Very good

great

it was a good read.

Enjoyed this book very much!

I loved this story by Merrillee Whren! It is an inspirational romance about not only forgiving others, but ourselves also. Kurt Jansen has every reason to hate the cards he has been dealt in life, but he is working on not allowing that to define him or the person he wants to be. Having served six years in prison for a crime he didn't commit he is struggling to get his life back on track so that he can get custody of his children and start his life anew, but there are those that are trying to stop him no matter the cost. Molly Finnerty is trying to get her B&B up and running and hiring Kurt to help with all of the woodwork that needs to be done will not only help her, but him also. Molly has reservations about hiring Kurt because of his criminal history, but how can she hold that against him all the while knowing about her past and the things that she has done. While working alongside Kurt she gets to know him and knows there is no way that he committed the crimes that he went to prison for and her feelings soon start to change for him. I'm definitely looking forward to reading more books by Merrillee Whren in the future. I was given an ARC from the author/publisher. All conclusions are mine and mine alone.

Newly released from prison, Kurt Jansen is hoping to get a job restoring the Victorian home that Molly Finnerty is converting into a bed and breakfast. He needs the income to hire someone who

can prove his innocence and help him win back the two children he lost after being convicted of murdering his wife. Molly has helped in prison ministry by giving jobs to ex-cons before but is nervous about hiring someone who was charged with murder. After speaking with a couple of references, coupled with prayers for guidance, she gives Kurt the job. The more time they spend together, the harder it is to fight their growing attraction to one another. Molly extends Kurt's job on her property to include working on the women's shelter she is building. She comes to believe his story of innocence and helps place him on a path to realizing his dream to win back the custody of his children. Still, as much as she cares for him, she is reluctant to share her past with him for fear he will walk away. An unforeseen circumstance brings the issue to a head and she realizes that she must tell him her secret. This book drew me in from the start. It is a Christian romance with characters who become very real as you follow their story. The author provided me with a copy of the e-book in exchange for an honest review. However, I am going to add that I had already purchased a paperback copy of this book as I very much enjoy her work.
