Ben Hogan deemed Mickey Wright's swing the "finest" he ever saw. One of the giants of the early years of women's professional golf, Wright clearly and concisely demonstrates how that swing was constructed in *Play Golf the Wright Way*. Her dazzling chapter on the psychology of putting will shave more strokes off your game than any mechanical breakdown of putting technique.

Great Book! Still relevant. Just wish the photos were clearer.

Mickeys gives the secrets away in this book !

Very expensive but as I remembered it when I used to own it

Back to the basics way of improving your golf swing from one of the greatest golfers.

Excellent book containing timeless instruction. I just wish the photos were better but that's the trade-off since it was written many years ago. Well worth purchasing.

Great book full of photos and clearly written explanations.
