Synopsis

Want an easy-to-read travel guide to Edinburgh? This book shows the top 125 best spots in this unique destination in United Kingdom. Guidelet Publishing works exclusively with local travel experts to guide and help you make the most of your vacation. 'Edinburgh Local Love' is your menu to all the 'must-visit' spots in this destination in United Kingdom. Quickly get the lay of the land, understanding all your day, food and night-life options. Enjoy your days at places like: The Royal Mile, The Writers' Museum, Arthur's Seat, Palace of Holyroodhouse... amongst dozens of others. Enjoy local food at top notch restaurants like: Ondine, Deacon Brodie's Tavern, Dubh Prais, Angels With Bagpipes... amongst many others. Party at local hangouts like: Grassmarket, The Edinburgh Literary Pub Tour, Deacon Brodie's Tavern, Cucina Restaurant amongst several others. This guide also covers Edinburgh spots like shopping areas, museums, parks, outdoor adventures, nightclubs and street foods. For each and every point of interest you'll get: Illustrative photo Address and phone Link to your Google Maps Link to Website (when pertinent) And a quick explanation as to why it deserves a visit. No needless fluff, no boring anthropological lessons! Just everything we love! We don't stuff our travel content with working hours, credit-cards accepted, nearby transportation and user-reviews as it tends to bulk up the writing and are subject to change since the time of publishing. Once you decide the places you want to visit, these infos can easily be found at your hotel concierge, on-line or on Google Maps. Not user-review based Similarly, our philosophy has been that user-reviewed travel sites are subjective, as they tend to top-rank places that manage their reputation on those sites. So little corner bakeries, unique shops by local artisans, secluded beaches and hidden bars don't show up in those sites as visibly as places that have an on-line marketer or social media specialist. Similarly, we believe the opinion of one well-informed local expert should outweigh the opinion of hundreds of first-time visitors to Edinburgh. First-time visitors tend to flock to famous tourist attractions, creating a vicious circle, accentuating just the popular places. Our local experts know the entire city, and know what deserves a visit, whether a famous attraction or a quaint corner. 'Edinburgh Local Love' is the first travel guide to Edinburgh you should read. It quickly helps you define your short-list of places you want to visit, so you don't have to spend hours reading hundreds of pages of dense writing. All for less than the price of a sandwich. An indispensable guide for travelling Edinburg, information seems pretty accurate and comprehensive as well based on my experience. Love the selection of places with really beautiful pictures. As always a pinch of salt is required for more maps to find recommended eating/sleeping places - we tend to wander around and find somewhere that looks good - but it's always nice to have a few more maps...:-)

Fabulous travel guide which covers it all, from floor-stomping ceilidhs to avant-garde modern dance, from traditional painting and sculpture to cutting-edge installations, from folksy fiddlers to the latest rock bands. The city's calendar of cultural festivals, including the famous Edinburgh International Festival, is outstanding. Well done again Cris!

A great way to learn more about this great city. Even though I've been to Edinburgh several times, I still enjoy learning more about the city by reading guidebooks such as this one. It was very helpful.

Definitely some great local love as the title says. You find some of the best spots while finding the best pubs for some great times. I can't be unhappy with that!

Just a list of websites, not helpful at all if you are not connected to the internet.

I enjoyed this travel guide to the max. I spend most of my time as a future anthropologist trying to figure out the best ways to visit areas and blend in with the various cultural groups. This book made that a breeze. I enjoyed looking at the various sites and the added bonus of the city's calendar made it easier to blend in. I would recommend this to anyone traveling to Edinburgh. It makes for a more active vacation where you can explore and be at peace knowing you have a handy guide to help out.

A great guide if you're travelling to the UK and want to explore Edinburgh. I have friends and family who live there but still like to wander around the city on my own sometimes. Love the selection of places, suggestions for dining out and the photos are excellent. One thing I would have liked to see is a bit about transport and what the options are for public transport over there as I've heard it's not the easiest place to get around.
