Customer Reviews

Good size, lots of space to write things. Very colorful! Each main character gets their own month, and lots of cute pictures of everybody. Some of them are obviously clip art, but the backgrounds are all very nice. Some of the character's outfits are not up-to-date with current happenings in the show, but I imagine they start making calendars ahead of time to get them ready for sale, so this is understandable. Would be great for a fan of the show!

It arrived on time and it was exactly what I imagined it would look like. I cannot wait to hang it up on my wall.
