Customer Reviews

A 5 page brochure with enormous margins and space so that it lists as 10+ pages. I am surprised that would endorse this type of swindle.

The book was just ok. Hardly any information available for a tourist. In all fairness there isn't much that can be said for Nassau. The town is filthy dirty, the people are gross and urinate on store fronts on the street and it feels very unsafe. We were followed by two thug looking guys for 4 blocks, went into a store and when we came out they were waiting and followed us almost all the way back to the ship. If I ever go back to Nassau I will not leave the boat.

Worked great for research prior to arrival I would have missed out on a lot of history without it.
