This is a terrific book. I absolutely love it! Joanne combines her lettering style with "zentangle" and the results are stunning. It's a beautiful book, full of "doable" tips and tons of inspiration. I loved Joanne's first book, but I think I may like this one even better. Well-done! So inspiring.

I just love this book -- I love working with letters anyway.

Great color pictures, tips, tricks and new ideas. Full of many exercises and ideas that I want to try. It can be difficult to purchase an instructional book without looking through the pages. I found the preview to be good and wasn't disappointed once I received the book.

very neat book. I just need to get started on doing all of this. I like the fact that these books give you some ideas and some things you can do as well as tell you what type of pens and other items you need to do a lot of it.

Great ideas for journaling in my Bible, plus decorating letters to family and friends. Outstanding instructions.

Doodle Art and Lettering by Joanne Sharpe is fabulous. Arrived as expected.

Love this book with so many lettering & project ideas. Thanks so much!!
