It's an ok book. It didn't reveal too much new stuff and therefore I only looked at it once.

I have this book and use it for my 4 and 7 year old. We live in the Denver area. The only thing I would complain about is that it is a bit older now and some of the info is outdated. If an updated version were to come out, that would be great. Nice format, good ideas for things to do around the Denver area, and well-researched.
