Was as advertised and expected. Great music and highly quality book.

I bought this piano book for my sister who wanted 'challenging but playable' music in this style. She told me that it fit perfectly!

They did a pretty good job at matching the sheet music to the songs on the CD. It has great songs on it, all filled with alot of emotion. To all those guys out there, fyi the Ladies go gaa gaa over these

songs they have alot of feeling in them

I think this book shows a lot of feelings when you play this. I'd strongly recommend this book if you're an advaned piano player
