Celtic Cut & Use Stencils: 61 Full-Size Stencils Printed On Durable Stencil Paper

Synopsis

Striking motifs from an ancient tradition range from powerful mythical figures to highly appealing geometric abstractions. Dynamic elements in each figure have been rendered into 61 stencils that convey the energy and appeal of their original Celtic motifs. Extremely useful for art and design projects. Instructions are included.

Customer Reviews

Excellent

Disappointed. Not Alot of samples or sizes

need several tools to cut and need to soak with oil to really use

nice designs, will get plenty of use out of this book

Great information and design's

it took me a while to get the CD to work but it was wonderful after that

good replacement for the original So far so good no problems So far so good. I is as good as

description. Excellent product, well packaged, everything is superior. works perfect,wouldn't be happier

This book had a wide variety of designs, printed as promised, on sturdy paper. In fact one of its best points is the same reason I penalize it a star, is the intricacy of the designs. The intricacy is also wonderful, since most stencils tend to give up detail in order to make the stencil simpler to make. The problem here is that you have to cut the stencils out yourself. Now because of the very intricacy, there are a LOT of tiny holes you have to cut out. By the time you get done, or at least by the time I get done, the paper is not quite so sturdy as it was. And it took quite some time to do. I recomend a sharp pair of small embroidery scissors to do it.
