Loads of wonderful poems in here, I only wish that it were hardcover.

Gave this as a gift to my granddaughter, she dearly loved it.

There are no words to express my pleasure:) Thank you:)

Awesome Resource!!

I LOVE POETRY! This Course Textbook was very helpful and very entertaining as well! :D

Educational

A treasure trove of poetry written in the English language. Excellent resource to have on ones shelves. If you are a student of poetry this is worth investing in.

The Norton Anthology is a rich resource, a great starting point for young readers and poets, and a great place to go to find new poets to read. That being said, it really is just a starting point. Moreover, it is limited to poetry written originally in English. You will want to supplement with international anthologies, consider *The Ecco Anthology of International Poetry*, for example.
