Customer Reviews

This book is even a good test for non English speakers, not just for kids. Good training and fun to play with others.

The puzzles aren't difficult to figure out. 4 stars because there aren't many puzzles and as I mentioned, they are not hard to figure out so it doesn't take much to go through the book.

This is a quick game for the kiddos to play while you are on the way to the store etc. I thought 100

would've been a better length, it felt too much like a commercial.

This book would be great for the right age group. I must have overlooked that part bc my 9 year old was over it after the 1st 3 pages.

Just brilliant concept. Liked it a lot and had lot of fun with my kids on guessing the words. Kudos to the writers

This is a awesome book. I love it so much,you should read it sometime. It rocks so read it!!!!!!!!!!!!!!
Pie

This is for 4 to 8 year olds. It was a fantastic childrens`s word association game for the very young kids.

I love it because it put two things and you need you need to figure out what it is. For ex: bell and a door; it I a door bell it is funny and it let you use your head to find the name or thing.
