The Secrets Beneath (The Mysteries Of Middlefield Series)

Synopsis

Rebekah Yoder loves a good mystery—until she becomes a part of one. Rebekah Yoder has always been curious . . . or nosy depending on whom you ask. When a Yankee stranger moves into the house next door, she's fascinated. Who is this strange old man who never waves or smiles? When Bekah sees him digging holes in his back yard, she's sure there is a case to be solved. Unfortunately, when her cousin blabs the story to the whole school, rumors fly. Is he hiding something? Treasure? Victims? And worst of all, annoying Caleb Mullet is now determined to solve the mystery with her. What they don't realize is there's not just secrecy lurking next door—there's danger. Will Bekah take her curiosity too far? Readers will love journeying with Bekah Yoder as they learn the danger of gossip, the importance of prayer, and the real story of *The Secrets Beneath*.

Customer Reviews

I was dissapointed with this one. It has a weak story line but maybe someone else would like it. I would reccomend Kathleen Fuller's first book in this series, "A summer secret" but not this one.

This book is awesome! The characters were better developed than the first and the mystery was great even a little intense at some parts. This is a good read for children between 8 to 108. You're never to old to read these. Great work Kathleen Fuller. Keep up the good work.
