Practical, informative and user-friendly, this Globetrotter travel pack highlights all the major places of interest, describing their principal attractions and offering sound suggestions on where to tour, stay, eat, shop and relax --This text refers to an out of print or unavailable edition of this title.

Mike Gerrard fell in love with Greece some 30 years ago and has returned every year since. He has worked as a waiter in the Ionian Islands, written on Greece for The Times and The Independent on

Sunday and authored three travel guides on the country. He lives in Huntingdon, England.

I would have given it 5 stars, except that it was not that latest version as I had thought from the info online, although it made little difference to me in the end.

This is an excellent compact guide and map for anyone wanting to explore this wonderful island. I highly recommend it.
