This book is more beautiful than I even imagined. It is very thorough, extremely well written, and loaded with absolutely amazing photos. My three Christmas gift recipients will be thrilled. Thank you so much, Susan Reyburn, for putting this incredible collection together.

This is the perfect gift for the football fan in your life. A clear engaging history of the sport that draws the reader in from the beginning. But even if your football fan is not a big reader, the fabulous collection of photos, posters and cartoons of everything football from its infancy to today (including cheerleaders and tailgate parties, of course!) are a feast for the eyes in this beautiful book. I have gifted 6 of them so far.
