Customer Reviews

I love that the recipes are to the point without complicated ingredients but not loaded with all canned and preservative loaded ingredients either. You get the basic meat pies and goes to more advanced delicious meat pies like chicken pot pie and steak and potatoes. It also includes different hash,

empanadas, turnovers and pockets but a ton of meat pies for sure!

Quick, easy, made from ingredients commonly kept in the pantry, this is my kind of cookbook for those days when my brain is fried and the usual fare just sounds blah. I always combine leftovers into something and this is just the idea book I needed so they would look and taste different.

Very good deal. There are TONS of recipes in here. I would have enjoyed photos but can live without. Had it had pics and I would have rated this 5 Stars. Some recipes use canned goods, which can easily be converted to fresh if you desire (I do). Outstanding for ideas!

I have long appreciated my mother's meat pie's & the selection's of everything contained in this book make's it much better. I now can experiment on many new recipe's to add variety in my cooking.

Great Book.

This book is wonderful a must have for meat lovers :-)

Going to purchase another one. Love it

Many tasty recipes!
