Shake A Leg! (Sesame Street) (Big Bird's Favorites Board Books)

Synopsis

Okay, everybody (as Grover would say), it's time for some exercise! So shake a leg and every other limb to get warmed up for some fitness and fun. Toddlers will have a good giggle as the Sesame monsters try different routines to get in shape. They can even follow along and get their own kid-sized workout if they don't fall down laughing instead!

Book Information

Customer Reviews

Okay, everybody (as Grover would say), it's time for some exercise! So shake a leg and every other limb to get warmed up for some fitness and fun. Toddlers will have a good giggle as the Sesame monsters try different routines to get in shape. They can even follow along and get their own kid-sized workout if they don't fall down laughing instead!

I love this book (and hate everything Elmo). We read it as our last book after our twins are already in their cribs and the light is out. Even if they don't want to go to sleep, they still do every movement and it helps them realize it's bedtime. It has honestly worked wonders for our nighttime routine! We originally got it because one twin had a small Elmo book from about 30 years ago in her crib and the other twin needed an Elmo book too!

Â My almost 3 year old has loved it for years. Great for getting them up and moving!

This was a surprisingly long board book! I was quite pleased with how many different actions it offered, including funny ones like flap your elbows and sleeping at the end. I got it for my 1 year old daughter because I thought it would be a good intro to body parts and movement, which it is. I was happily surprised that my 4 year old loves to play along, too. It's a really fun book and I highly recommend it, especially for the low price!

My great-granddaughter can barely stay on her little feet while listening to this book! Bless her heart, she tries so hard to dance, but can't quite make it. She can get a leg up....but when she tries to shake it, down she goes! At first she cried when she fell down, but after a little loving and a little coaching, she thinks its so funny that she often falls on purpose, and laughs and laughs. Of course, everyone in the room laughs too, so I would gladly say that SHAKE A LEG is being greatly enjoyed by everyone in the family!

3 yr old grandson loves it

My nephew loves reenacting this book as it is read to him. It was part of his birthday gifts for his 1st birthday that was Elmo themed. The book came in pristine condition, the shipping was on time and we could not be happier with this purchase.

Great book! Lots of fun!!

As simple as this book seems, both of my kids absolutely adored it between the ages of about 12-24 mos. Helps them learn body parts and be interactive. Definitely worth the time and money!
