## **Customer Reviews**

I love the larger print. Much easier to use.

My friend and I have so much fun solving puzzles together. It is my first experience with Sudoku. I love it.

Large puzzles but a little harder for me than easy. Would like to work them without having to write each missing number in the square.

Not really easy, still difficult

Great puzzles!

My mother's eyes are old and she can not see well, but could see this.

Great large print easy to read.

These are great...and I love the large print puzzles per page. I use these at night before bed to relax my mind and have fun at the same time.
